

ALIEN AND INVASIVE SPECIES

- P001 **Invasive plant species management tests in Southern Belgium**
Delbart, Emmanuel; Halford, Matthieu; Pieret, Nora; Vanderhoeven, Sonia; Mahy, Grégory
- P002 **Is Argentine ant invasion hampering reproductive foliage-gleaning resources?**
Estany-Tigerström, David
- P003 **Growth of the prussian carp (*Carassius gibelio*, BLOCH) in four habitats of the Balaton catchment (Hungary), in comparison to the fauna composition**
Ferincz, Árpád; Staszny, Ádám; Weiperth, András; Paulovits, Gábor
- P004 **Preliminary checklist list of alien plant species of Montenegro**
Hadžiablahović, Sead
- P005 **Preliminary studies on Northern Red Oak invasion in southern Poland**
Chmura, Damian
- P006 **Effect of the Heavy Metals on the Developmental Stages of Ovule and Seed Proteins in *Chenopodium botrys* L. (*Chenopodiaceae*)**
Lorestani, Bahareh; Yousefi, Nafiseh; Cheraghi, Mehrdad
- P007 **Wild pollinator communities are negatively affected by invasion of alien goldenrods in grassland landscapes**
Moroi, Dawid; Lenda, Magdalena; Skórka, Piotr; Szentgyorgyi, Hajnalka; Settele, Josef; Woyciechowski, Michał
- P008 **Invasion from aerial photographs, scaling up: *Heracleum mantegazzianum* in Slavkovský les, Czech Republic**
Müllerová, Jana; Pyšek, Petr; Pergl, Jan; Jarošík, Vojtěch
- P009 **The most cost-effective conservation is preventing alien species introductions: an early warning notification of invasiveness of *Galega orientalis***
Ööpik, Merle; Pulk, Eleri
- P010 **The Disturbance Effect of New Ski Slopes on the Natural Vegetation of Mátra Mountains, Hungary**
Pénzes-Kónya, Erika; Németh, Erika
- P011 **The invasion of *Rumex alpinus* in the Giant Mountains**
Řičařová, Veronika; Červenková, Zita; Münzbergová, Zuzana
- P012 **Islands and Invasives - Conservation and Ecological aspects on a Caribbean Island**
Stow, Sarah
- P013 **How invading species avoid infection: Parasites and immunocompetence in the green crab (*Carcinus maenas*)**
Zetlmeisl, Claudia; Petney, Trevor; Taraschewski, Horst

BIODIVERSITY AND CONSERVATION IN NON EUROPEAN COUNTRIES

- P014 **Effects of habitat degradation on gray brocket deer populations in the Arid Chaco of Argentina**
Abraham, Maria Celina; Periago, Maria Eugenia; Ruete, Alejandro; Leynaud, Gerardo C.
- P015 **Nest site selection by Asiatic houbara bustard (*Chlamydotis macqueenii*) in Gharatappeh Herat, Yazd Province, Iran**
Aghanajafi, S. H.; Hemami, M. R.; Heydari, F.

- P016 **Botanical and entomological aspects of an isolated peat bog in Central Croatia (SE Europe)**
Alegro, Antun; Brigić, Andreja; Šegota, Vedran; Šoštarić, Renata
- P017 **Sitting on the fence? Policies and practices in controlling damage-causing animals in Limpopo Province, South Africa**
Anthony, Brandon; Scott, Peter; Antypas, Alexios
- P018 **Soil modification by desert shrub *Haloxylon salicornicum* in degraded rangelands of Saudi Arabia**
Assaeed, Abdulaziz; El-Bana, Magdy; Al-Rowaily, Saud
- P019 **Marginality of remnant populations and implications for conservation: example of the New Zealand sea lion**
Auge, Amelie A.; Chilvers, B. Louise; Davis, Lloyd; Moore, Antoni
- P020 **Biodiversity of small mammals under the influence of different land use practices**
Bensch, Susanne; Starik, Nicole; Zeller, Ulrich
- P021 **Biological diversity of *Inga edulis* Mart. (*Mimosaceae*) in Peruvian Amazon**
Cepkova, Jindriska; Lojka, Bohdan; Hlasna, Petra
- P022 **Leopard population dynamics, trophy hunting and conservation in the Soutpansberg Mountains**
Chase Grey, Julia
- P023 **Common Fresh Water Fishes of Bié Plateau in Angola; Africa Head Waters Region**
Kalous, Lukáš; Musilová, Zuzana; Petrýl, Miloslav; Trefil, Pavel; Holíková, Petra
- P024 **Habitat model of Argali in South Altai**
Lhotská, Pavla; Řičánková, Věra; Hais, Martin
- P025 **Invasive species threatens the island endemic gecko *Hemidactylus newtoni***
Rodriguez-Prieto, Inaki; Bilé, Lucrecia; Ondó, Eusebio; Sima, Teófilo
- P026 **Variation diversity of Pollen grains of *Vicia* L. species in Iran**
Salimpour, Fahimeh; Karafarin, Elnaz; Sharifnia, Fariba
- P027 **Orchid diversity in the Chitwan district**
Schödelbauerová, Iva; Bhattarai, Bishnu Prasad; Kindlmann, Pavel
- P028 **The Conservation Status of Barbary Macaques in the Djebela Region of Northern Morocco**
Waters, Sian; El Harrad, Ahmed; Hobbelink, Maria; Elisa; Aksissou, Mustapha

BIOGEOGRAPHY

- P029 **Ecological Characteristics Affecting on Medicago genus in Iran**
Ghanavati, Farangis
- P030 **How steppe-glacial relict discovers gardens: Expansion of the rose chafer *Oxythyrea funesta* in the Czech Republic**
Horák, Jakub; Vávrová, Eva; Romportl, Dušan; Chobot, Karel; Jirmus, Tomáš; Zasadil, Petr
- P031 **Chorological Studies of Vascular Plants in Romania**
Öllerer, Kinga; Stefanut, Sorin; Sanda, Vasile; Vicol, Ioana; Ion, Roxana
- P032 **Taxonomy, ecology, distribution, and protection status of *Acer intermedium* Pančić in Balkan Peninsula**
Tripic, Rajko; Hadziablahovic, Sead; Bulic, Zlatko

- P033 **Phylogeography of the field vole (*Microtus agrestis*) in the Iberian Peninsula**
Paupério, Joana; Alves, Paulo Célio; Searle, Jeremy
- P034 **Population genetics of the Iberian three-spined stickleback (*Gasterosteus aculeatus*)**
Vila, Marta; Hermida, Miguel; Fernández, Carlos; Perea, Silvia; Doadrio, Ignacio; Amaro, Rafaela; San Miguel, Eduardo
- P035 **Phylogenetic relationships in owls (Strigiformes) based on mitochondrial and nuclear genes**
Wink, Michael; Gonzalez, Javier

CLIMATE CHANGE AND BIODIVERSITY

- P036 **Effects of climate change on the germination behaviour of the endemic species of Cyprus *Saponaria cypria* Boiss**
Kounnamas, Constantinos; Thanos, Costas; Kadis, Costas; Georghiou, Kyriacos
- P037 ***Cryophilous bryophytes* vanish from lower altitudes—An effect of climate warming?**
Bergamini, Ariel; Ungricht, Stefan; Hofmann, Heike
- P038 **Modelling the effectiveness of protected areas for conserving species on Borneo and Thailand under future climate warming**
Klorvuttimontara, Sravut
- P039 **Effect of climate change on tree species distribution assessed by cellular automata model**
Attorre, Fabio; Vitale, Marcello; Francesconi, Fabio; Di Traglia, Mario Di Traglia; Valenti, Roberto Valenti; Bruno, Franco Bruno
- P040 **Change in migration phenology of Garden Warbler (*Sylvia borin*) at the Ócsa Bird Ringing Station between 1984-2007.**
Kovács, Szilvia; Csörgő, Tibor; Harnos, Andrea; Nagy, Krisztina
- P041 **Compass orientation mechanisms in migratory butterflies**
Nesbit, Rebecca; Hill Jane; Sivell, Duncan; Chapman, Jason
- P042 **Superabsorbent Polymer Influence on Afforestation Effectiveness in Serbia**
Vilotić, Dragica; Šijačić-Nikolić, Mirjana; Milovanović, Jelena
- P043 **A multi taxa approach to study mountain ecosystems: developing an exportable long term biodiversity monitoring programme**
Viterbi, Ramona; Cerrato, Cristiana; von Hardenberg, Achaz; Provenzale, Antonello; Bionda, Radames; Bassano, Bruno; Bogliani, Giuseppe
- P044 **Could increased interspecific competition due to climate change present a threat to endemic horvath's rock lizard (*Iberolacerta horvathi*)?**
Žagar, Anamarija; Krofel, Miha; Vrezec, Al

CONSERVATION AT THE SCIENCE-POLICY INTERFACE

- P045 **Involving stakeholders in implementation of ecological networks**
Cil, Aysegul
- P046 **Migration corridors for large mammals in the Czech Republic and linkages to neighbouring states**
Hlaváč, Václav; Strnad, Martin; Mináriková, Tereza
- P047 **Emerald Network implementation in the Central Russian plain**
Sobolev, Nikolay

CONSERVATION CAPACITY BUILDING

- P048 **From the desk to the field**
Fairet, Emilie
- P049 **MSc Programme “Biodiversity Management and Research”**
Zeller, Ulrich; Goettert, Thomas

CONSERVATION GENETICS

- P050 **Estimation of effective population sizes in Atlantic salmon (*Salmo salar*, L.) populations from Asturias (Northern Spain) using microsatellites**
Blanco, Gloria; Borrell, Yaisel; Bernardo, David; Sanchez, José A.
- P051 **The study of genetic structure of European population of Woodpigeon *Columba palumbus* as the tool for conservation and wise management of the species**
Butkukas, Dalius; Švažas, Saulius; Sruoga, Aniolas, Bea, Antonio
- P052 **Genetics of the Iberian lynx, the most endangered felid**
Casas-Marce, Mireia; Soriano, Laura; Revilla, Eloy; Godoy, José A.
- P053 **Genetic diversity and population structure of European ground squirrel in Vojvodina, Serbia**
Ćosić, Nada; Hulová, Štěpánka; Bryja, Josef; Penezić, Aleksandra; Ćirović, Duško
- P054 **Genetic patterns and conservation management of the terrestrial tortoise *Testudo graeca* in southeast Spain**
Graciá, Eva; Giménez, Andrés; Botella, Francisco; Anadón, José Daniel; García-Martínez, Santiago; Marín, María
- P055 **Genetic consequences of population decline in Eurasian otter (*Lutra lutra*) populations in the Czech and Slovak Republics**
Hájková, Petra; Gettová, Lenka; Zemanová, Barbora
- P056 **The unique genetic profile of the brown trout population in the Krka River, Croatia**
Jadan, Margita; Čož-Rakovac, Rozelindra; Strunjak-Perović, Ivančica, Topić, Popović, Natalija
- P057 **Genetic diversity: Linear habitat elements in a viticultural region (Wachau in Eastern Austria)**
Koch, Marcus A.; Barmann, Jasmin; Greimler, Josef; Bernhardt, Karl-Georg
- P058 **Genetic analysis of *Quercus petraea* populations under different rate of forest management: case study from the Křivoklátsko Protected Landscape Area**
Lukášová, Miroslava; Dostálek, Jiří; Pospíšková, Markéta
- P059 **New findings concerning occurrence and taxonomy of gudgeons from the genera *Gobio* and *Romanogobio* in the Eurasian context**
Mendel, Jan; Halačka, Karel; Vetešník, Lukáš
- P060 **The past and present history of an alpine endangered plant, *Eryngium alpinum* (Apiaceae): insights from phylogeography and population genetics**
Naciri, Yamama; Gaudeul, Myriam; Lambelet, Catherine
- P061 **Phylogeography of *Graellsia isabelae* (Lepidoptera: Saturniidae)**
Neus, Mari-Mena; Carlos, Lopez-Vaamonde; Marie Anne, Auger-Rozenberg; Marta, Vila
- P062 **Introgression from *Lagopus lagopus* to *Lagopus mutus*: a consequence of niche expansion?**
Quintela, María; Thulin, Carl-Gustaf; Höglund, Jacob

- P063 **Population genetic structure of the endangered Tehuantepec jackrabbit (*Lepus flavigularis*) implications for its conservation**
Rico, Yessica; Lorenzo, Consuelo; Gonzalez-Cozatl, Francisco X; Espinoza, Eduardo
- P064 **Cumulative fitness reduction in open-pollinated progenies from isolated populations of Swiss stone pine**
Salzer, Kristina; Bollmann, Kurt; Keller, Lukas F.; Gugerli, Felix
- P065 **Loss of genetic diversity in non-lekking populations of black grouse**
Svobodová, Jana; Höglund, Jacob
- P066 **Genetic structure and diversity in the western populations of the globally threatened Eastern Imperial Eagle (*Aquila heliaca*)**
Szabó, Krisztián; Kovács, Szilvia; Vili, Nóra; Kalmár, Lajos; Horváth, Márton
- P067 ***Acer pseudoplatanus* cv *Atropurpureum* traits phenotypic stability as basic point for further species conservation**
Šijačić-Nikolić, Mirjana; Milovanović, Jelena; Vilotić, Dragica
- P068 **Biodiversity of wild hops estimated by molecular markers**
Vašek, Jakub; Vejl, Pavel; Čílová, Daniela; Nesvadba, Vladimír
- P069 **Variability of gonosomal SSR markers in two dog breeds derived from wolf (*Canis lupus lupus*): Czechoslovak wolfdog and Saarloos wolfdog**
Vejl, Pavel; Čílová, Daniela; Šebková, Naděžda; Vašek, Jakub; Sedlák, Petr
- P070 **Investigation of territory and mate fidelity among Eastern imperial eagles (*Aquila heliaca*) of the Carpathian basin, based on individual DNA-profiles.**
Vili, Nóra; Horváth, Márton B.; Kovács, Szilvia; Chavko, Jozef; Szabó, Krisztián; Hornung, Erzsébet; Kalmár, Lajos
- P071 **Conservation genetics of the endangered riparian plant *Myricaria germanica***
Werth, Silke; Scheidegger, Christoph

CONSERVATION IN A SOCIO-ECONOMIC CONTEXT

- P072 **Medicinal plants used by Bhils Tribes of Ratlam District, Madhya Pradesh, India**
Gera, Neeta; Sharma, Avinash Kumar; Kala, Rajendra Prasad
- P073 **Plan of measurements for an ecological restoration and conservation of the upper part of Atoyac river (Atoyac, Veracruz, Mexico)**
González Machorro, Maili Alicia; Ciobanu, Marcel; Pimentel Ugarte, Fernando; González Machorro, Mario Arturo; Pena Montenegro, Javier
- P074 **Is farmland biodiversity a step-child to farmers?**
Härjämäki, Kimmo; Herzon, Irina; Kaljonen, Minna; Mikk, Merit
- P075 **Coral reef fish and the aquarium trade: Ecological impacts and socio-cultural influences in Sri Lanka**
Howard, James; Bell, Sandra; Lucas, Martyn; Kumara, Terney
- P076 **An interdisciplinary investigation of Ireland's seafood industry: Towards the goal of sustainability**
Miller, Dana; Mariani, Stefano
- P077 **Challenges and pathways of shrimp aquaculture in Bangladesh towards sustainability**
Paul, Brojo Gopal; Waidbacher, Herwig; Vogl, Christian Reinhard
- P078 **Conservation and management of the brown bear (*Ursus arctos*) in the Western Carpathians**
Rigg, Robin; Adamec, Michal

- P079 **Are yellow-legged gulls (*Larus michahellis*) really a matter of concern in the city of Marseille?**
Savalois, Nathalie
- P080 **Conservation and restoration of the "Barranca del Metlac" (Veracruz, Mexico) for a local sustainable development**
Zilli Debernardi, Emilio; Machorro Rodríguez, Maria Alicia; González Machorro, Maili Alicia

CONSERVATION IN AGRICULTURAL LANDSCAPES

- P081 **Foraging habitat selection and home range of Montagu's harriers breeding in SPAs in NE Spain**
Arroyo, Beatriz; Guixé, David
- P082 **Foraging behaviour in Eurasian Stone-curlew (*Burhinus oedicnemus*) in the production area of "Parmigiano-Reggiano" cheese**
Caccamo, Chiara; Pollonara, Enrica; Baldaccini, N. Emilio; Giunchi, Dimitri
- P083 **Conservation value of field margins in agricultural landscape of south-western Poland**
Dajdok, Zygmunt; Grzesiak, Wojciech; Karg, Jerzy; Kujawa, Krzysztof; Wierzcholska, Sylwia; Wuczynski, Andrzej
- P084 **Agricultural land as a value genetic resources in Poland**
Dostatny, F. Denise
- P085 **The effect of sex hormones originating from cattle manure on a soil microbial community: A vertical profile study**
Hermann, Galit; Shore, Laurence S.; Steinbergera, Yosef
- P086 **Effect of land use and climate on diversity of moth guilds with different habitat specialization**
Kadlec, Tomas; Jarošík, Vojtech; Konvička, Martin; Novák, Ivo
- P087 **Diversity indices and diversity ranking in analysis of weed-communities on crop fields**
Kovács, Szilvia; Lisztes-Szabó, Zsuzsanna
- P088 **Plant biodiversity is back in our fields: case of agri-environmental measures in the Walloon region (Belgium).**
Legast, Marie; Bodson, Bernard; Mahy, Grégory
- P089 **Preservation of protected plant species without human interference in abandoned grape yards**
Malatinszky, Ákos; Ádám, Szilvia; Penksza, Károly; Kenéz, Árpád; Saláta, Dénes; Házi, Judit; Szentés, Szilárd; Falusi, Eszter; Pándi, Ildikó
- P090 **The effects of landscape enhancement and local management on farmland biodiversity**
Peyton, Jodey; Hulmes, Lucy; Hulmes, Sarah; Pywell, Richard F.; Carvell, Claire; Heard, Mathew
- P091 **Nature conservation by contract in Romania: Possibility to protect cultural landscapes and their biodiversity**
Rákosy, László; Schumacher, Wolfgang; Paulini, Inge; Beldean, Monica; Popa, Razvan; Raluca, Voda
- P092 **Synergies between agricultural intensification and community change**
Rocha, Ricardo
- P093 **Agricultural fields as ecological buffer zones and corridors: Invertebrate communities in High-Nature-Value agricultural landscapes**
Skutelsky, Orit; Dayan, Tamar
- P094 **Present trends in biodiversity of non-forest habitats in agricultural landscape**
Spulerova, Jana

- P095 **Effects of agricultural intensification on plant diversity**
Tejedo, Pablo; Mateo-Tomás, Patricia; de Frutos, Ángel; Pouillard, Elsa; Gómez, David; Sanz, María José; Purroy, Francisco J.; Olea, Pedro P.
- P096 **Restoration of alcalic and steppe grasslands in arable fields with low diversity seed mixtures**
Vida, Enikő; Deák, Balázs; Kapocsi, István; Török, Péter; Lengyel, Szabolcs; Tóthmérész, Béla
- P097 **Factors favoring bumblebees in Estonian agricultural landscapes**
Viik, Eneli; Mänd, Marika; Marja, Riho

ECONOMICS OF BIODIVERSITY & ECOSYSTEM SERVICES

- P098 **Time preferences affect conservation priorities for multiple species**
Hartig, Florian; Drechsler, Martin
- P099 **Identifying Ecosystems Services of Traditional Rural Biotopes in SW Coastal Finland Using Social-Ecological Mapping**
Birge, Traci; Fortelius, Wilhelm; Fred, Marianne

ECOSYSTEM MANAGEMENT: THEORY AND PRACTICE

- P100 **Restoring practices in a Natural Park: changes in freshwater fish fauna after bringing large wood back to the streams**
Antón, Alvaro; Garcia-Arberas, Loreto; Díez, Jose Ramón; Rallo, Ana; Elosegi, Arturo
- P101 **Lanuse and conservation effects on ecosystem functioning: the case of the Donana region, SW Spain**
Fernández, Néstor; Paruelo, José; Delibes, Miguel
- P102 **Importance of seed dispersal via sheep and goat for the restoration of species rich grassland**
Fulinova, Martina
- P103 **Effect of the Heavy Metals on the Developmental Stages of Ovule and Seed Proteins in *Chenopodium botrys* L. (*Chenopodiaceae*)**
Lorestani, Bahareh; Yoosefi, Nafiseh; Cheraghi, Mehrdad
- P104 **Gradients of epigeic and soil arthropods in costal dunes to be maintained**
Spungis, Voldemars; Cera, Inese; Juceviča, Edite; Salmane, Ineta

EDUCATION AND OUTREACH

- P105 **The neighbour wolf”: Conservation of large carnivores in the Beskydy Mts., Czech Republic**
Kutal, Miroslav; Praus, Libor
- P106 **How does an undergraduate education in conservation shape the priorities of young conservationists?**
Nevin, Owen
- P107 **Children’s conceptions for human impacts upon threatened plants**
Paraskeva-Hadjichambi, Demetra; Korfiatis, Kostas; Ch. Hadjichambis, Andreas; Arianoutsou, Margarita
- P108 **The new Nature-experience at the Zoo Vienna**
Pfistermüller, Regina; Wampula, Thomas
- P109 **Conservation education on Faculty of Environmental Sciences, CULS, Prague**
Sklenička, Petr; Zasadil, Petr; Bejček, Vladimír

EX-SITU CONSERVATION

- P110 **Coimbra Collection of Algae (ACOI): challenges and constraints of a large bioresource holder**
Amaral, Raquel; Santos, Maria de Fátima; Santos, Lília
- P111 **Temporal floral sex allocation in protogynous *Adonis vernalis* L.**
Medvegy, Anna; Szöllősi, Réka; Mihalik, Erzsébet
- P112 **Studies on temporal changes in several reproductive traits in an ex situ population of *Dianthus diutinus* Kit.**
Németh, Anikó; Makra, Orsolya; Mihalik, Erzsébet; Szöllősi, Réka
- P113 **In vitro conservation of Romanian endemic plant species *Campanula romanica* Savul.**
Paunescu, Anca
- P114 **In vitro conservation under slow growth conditions of *Gypsophila petraea* (Baumg.) Rchb. and *Dianthus callizonus* Schott et Kotschy**
Rodica, Blindu; Irina, Holobiuc; Monica, Mitoi; Florenta, Helepciuc
- P115 **Endangered species *Pulsatilla vernalis* (L.) and possibilities of its conservation**
Sediva, Jana; Žlebčík, Jan
- P116 **Detection of IPM4 marker of Rx1 gene resistance to PVX in collection of ex situ conserved potato genetic resources**
Sedlák, Petr; Sedláková, Vladimíra; Vejl, Pavel; Domkářová, Jaroslava; Horáčková, Vendulka
- P117 **Analysis of chloroplast DNA intergenic spacer trnL/trnF in genus *Solanum* by denaturing gel electrophoresis**
Sedláková, Vladimíra; Sedlák, Petr; Vejl, Pavel; Domkářová, Jaroslava; Horáčková, Vendulka
- P118 **An efficient methodology to improve the ecogeographical representativeness of ex situ collections: the *Lupinus* case**
Torres, Elena; Parra-Quijano, Mauricio; Iriondo, Jose Maria

FIRE ECOLOGY AND MANAGEMENT

- P119 **Restoration fire as a conservation tool in Boreal forests- Effects on dead wood heterogeneity and availability**
Eriksson, Anna-Maria; Olsson, Jörgen; Edman, Mattias; Jonsson, Bengt-Gunnar
- P120 **Community structure of long-time burned forest soil micoinvertebrates disturbed by hurricane Hugo in South Carolina**
Gargas, Krzysztof; Skalski, Tomasz; Trettin, Carl
- P121 **Post-fire forest management and birds of conservation concern**
Rost, Josep; Pons, Pere

FOREST ECOLOGY AND MANAGEMENT

- P122 **Does community forest management deliver biodiversity and local welfare benefits in developing countries?**
Buyung-Ali, Lisette; Bowler, Diana; Healey, John; Jones, Julia; Knight, Teri; Sinclair, Fergus; Pullin, Andrew
- P123 **Birds and carabid beetles in beech forests of different age in Papuk Nature Park, Croatia**
Dumbović Ružić, Vlatka; Šerić Jelaska, Lucija; Kralj, Jelena; Lugić, Edin

- P124 **Structure and seasonal dynamics of Collembola communities inhabiting soil and rocky “floras” from Prahova and Doftana Valleys (Romania)**
Fiera, Cristina; Vicol, Ioana
- P125 **Recover a cork oak forest – birds as management indicators**
Godinho, Carlos; Pereira, Pedro; Rabaça, Joao
- P126 **Restoration of Central European lichen pine forests by removal of litter and humus**
Heinken, Thilo; Fischer, Petra; Günzl, Bettina; Kelm, Hans-Jürgen; Mayer, Peter; Prüter, Johannes; Schmidt, Marcus; Waesch, Gunnar
- P127 **Old-forest associated lichens in *Picea abies* plantations.**
Hilmo, Olga; Holien, Hakon; Hytteborn, Hakan; Ely-Aastrup, Hilde
- P128 **Radiotelemetric study of Tengmalm’s Owl (*Aegolius funereus*) in the Krušné Mts. and Jizerské Mts.**
Kouba, Marek; Tomášek, Václav; Zárbybnická, Markéta; Šťastný, Karel; Griesser, Michael
- P129 **Big Plans for Practical Forest Conservation: Case Finland**
Lehtomäki, Joonas; Hanski, Ilkka; Moilanen, Atte; Tomppo, Erkki; Kuokkanen, Panu
- P130 **The effects of stand structure on epiphytic bryophytes in mixed deciduous-coniferous forests of Western Hungary**
Lengyel-Király, Ildikó; Ódor, Péter
- P131 **Renewing in the ‘Nagyerdő’ of Debrecen (Hungary): is the seminatural rehabilitation more natural?**
Lisztes-Szabó, Zsuzsa; Kovács, Szilvia; Tanyi, Péter
- P132 **Influence of forest characteristics on bird focal species abundance in Lombardy, Italy**
Massimino, Dario; Gagliano, Caterina; Gasparini, Patrizia; Orioli, Valerio; Bani, Luciano
- P133 **Forest structure and microclimate patterns as potential surrogate indicators of ecosystem resilience: implications for environmental forestry practice**
Mickleburgh, Peter; Hobson, Peter
- P134 **The physiognomical structure changes of shrub layer in the Síkfőkút oak-forest from 2002 to 2007 – I.**
Misik, Tamas; Kárász, Imre
- P135 **Conservation measures enhance the naturalness of protected forests in the Kőszeg Mts., Hungary;**
Nemeth, Csaba
- P136 **Conservation assessment of riparian woodlands at the Kalamas river, Greece**
Ntemiri, Konstantina; Zogaris, Stamatis; Chatzinikolaou, Yorgos; Dimopoulos, Panayotis
- P137 **The impact of ungulates varies across forest types – experiences from 16 years of monitoring**
Petřík, Petr; Černý, Tomáš; Boublík, Karel; Kopecký, Martin; Vítková, Michaela; Kolbek, Jiří
- P138 **Can the decline in the Estonian black stork population be caused by forest drainage? A GPS-tracking study**
Rosenthal, Raul; Lohmus, Asko; Nellis, Renno
- P139 **Socioecological analysis of land use and land cover change. Implications of afforestation in hydrological resources in Montseny Natural Park, NE Spain**
Sanchez i Mateo Sonia; Boada, Martí
- P140 **Effect of the selective logging and the width of the buffer strip on species diversity in the valuable riparian habitats**
Selonen, Ville A. O.; Timonen, Jonna; Lehtonen, Emmi; Kotiaho, Janne S.; Mönkkönen, Mikko

- P141 **Why do low-traffic roads increase diversity of birds in production spruce forests?**
Šálek, Miroslav; Zasadil, Petr; Svobodová, Jana
- P142 **The effect of light on forest understory in deciduous-coniferous mixed forests in Western Hungary**
Tinya, Flóra; Ódor, Péter
- P143 **Lichen communities on the root-plates of fallen trees depend more on the root-plate characteristics than forest site type and management**
Turja, Kristel; Lohmus, Piret
- P144 **Trends of abandoned and used wooded pastures in the Carpathian basin: history and possibilities for restoration**
Varga, Anna; Bölöni, János
- P145 **Bird communities of forests with different types of management**
Zasadil, Petr; Podrázský, Vilém
- P146 **Effect of windthrow and its management on breeding birds' communities in a managed forest**
Žmihorski, Michał

FRESHWATER AND WETLAND ECOLOGY

- P147 **Possibilities of heavy metals influence on *Margaritifera margaritifera* population in Bohemian - German border streams.**
Bílý, Michal; Simon, Ondřej
- P148 **Spatio-temporal dynamics of malacofauna along a second order stream – large river continuum**
Bódis, Erika; Nosek, János; Oertel, Nándor; Tóth, Bence
- P149 **Impact of water level changes on small mammal communities**
Czaban, David; Cserkesz, Tamas; Farkas, Janos
- P150 **The Ramsar Wetlands of Ukraine as important places for birds conservation**
Davydenko, Igor; Serebryakov, Valentyn
- P151 **Combining standard methods for otter and river surveys. A test in the river Ofanto (Southern Italy)**
De Castro, Giuseppina; Barile, Mariachiara; Reggiani, Gabriella; Buffagni, Andrea Buffagni; Loy, Anna
- P152 **Water quality criteria for protection of endangered unionid bivalves from nitrate nitrogen pollution**
Douda, Karel
- P153 **Environmental factors and spatial structure that determine aquatic vegetation assemblages in an outstanding European protected area**
Fernández Zamudio, Rocío; García Murillo, Pablo; Cirujano, Santos
- P154 **Pond networks in an urban context**
Gledhill, David; James, Philip
- P155 **Fish distributional patterns in Strymonas river (Greece)**
Gousia, Evangelia; Bobori, Dimitra
- P156 **Planktonic crustaceans and invertebrates as a potential food source for waterbirds in a Hungarian wetland reconstruction area**
Horváth, Zsófia

- P157 **Ornithological importance of Mia Milia Sewage Treatment Plant, Nicosia, Cyprus**
Charalambidou, Iris; Gucel, Salih
- P158 **Investigating of mercury-resistant bacteria from river sediments**
Kacar, Asli; Ucar, Fusun
- P159 **Herbivorous fish species became predators: the case of *Scardinius acarnanicus* in Lake Trichonis (Greece)**
Kehayias, George; Laros-Diakonis, Ioannis; Nasiopoulou, Garyfallia
- P160 **Lampreys in Slovakia: status, recent threats and major environmental correlations occurrence**
Košuthová, Lenka; Pekárik, Ladislav; Koščo, Ján; Košuth, Peter; Barabas, Dušan
- P161 **Biodiversity assessment of temporary ponds in the Ciuc basin, Romania**
Demeter, László; György, Éva; Marrone, Federico; Csergő, Anna-Mária; Bányász, Dorottya
- P162 **Desiccation Tolerance and Regeneration Ability of Fen Bryophyte Species**
Manukjanová, Alžběta; Štechová, Táňa
- P163 **Conservation action plan for the Croatian dace (*Telestes polylepis*)**
Marcic, Zoran; Duplic, Aljosa; Caleta, Marko; Zanella, Davor; Mustafic, Perica; Buj, Ivana; Brigic, Andreja; Mrakovcic, Milorad
- P164 **Wetland management techniques and aquatic beetles – the effects of planting, mowing and grazing**
Molnar, Akos
- P165 **Limnology and Ecology of the transboundary Turkish soda lake (Lake Aktaş)**
Özbay, Hanife; Kiliñç, Sabri
- P166 **Influence of three non-indigenous species in otter diet in a Portuguese wetland**
Pinto, Nuno M.L.; Alves da Silva, António; Fonseca, Carlos
- P167 **Macroinvertebrate communities in a Mediterranean transboundary lake**
Salvarina, Ioanna; Bobori, Dimitra; Seferlis, Miltiadis
- P168 **Analyses of fish scale morphometry: discrimination of Prussian carp (*Carassius gibelio*, Bloch) populations**
Staszny, Ádám; Ferincz, Árpád; Weiperth, András; Paulovits, Gábor
- P169 **Distribution, Ecology and Conservation of *Hamatocaulis vernicosus* (Calliergonaceae, Bryophyta) in the Czech Republic**
Štechová, Táňa
- P170 **Protection of threatened wetland plant species as a part of actual fishpond management**
Šumberová, Kateřina; Ducháček, Michal
- P171 **Investigation of water quality and planctonic crustaceans in a relict wetland**
Vad, Csaba Ferenc
- P172 **Freshwater and wetland ecological state from Guadalquivir basin (Andalusia, SW Spain) based on fish and aquatic insects.**
Vega, Antonia Rebollo; Marín, José Prenda
- P173 **Amphibian chytrid fungus in Hungary**
Vörös, Judit; Hettyey, Attila; Sós, Endre; Dankovics, Róbert; Garner, Trent

GAME ECOLOGY AND SUSTAINABLE HUNTING

P174 **The importance of green vegetation wildlife management in the agricultural landscape in Podřipsko (Czech Republic)**
Janota, Jiří; Kútová, Jitka

P175 **Perceptions and attitudes of hunters with respect to problems in game management in Greece: a case study from the Region of Epirus**
Lakka, Vaia; Papadatou, Eleni; Sfendourakis, Spyros; Kati, Vassiliki

GRASSLAND ECOLOGY AND MANAGEMENT

P176 **The influence of edaphic factor and endemic species presence on structure and biomass production of serpentine communities.**
Adamidis, Giorgos; Kazakou, Elena; G. Dimitrakopoulos, Panayiotis

P177 **How do open sand steppes respond to the abandonment of grazing and to the increasing frequency of droughts?**
Bartha, Sándor; Campetella, Giandiego; Ruprecht, Eszter; Házi, Judit; Horváth, András; Virágh, Klára; Molnár, Zsolt

P178 **To choose or not to choose a breeding site – that's the question for breeding waders**
Hald, Anna Bodil; Laursen, Karsten

P179 **Grassland management by mowing of *Calamagrostis epigeios* (L.) Roth in the Western-Cserhát, Hungary**
Házi, Judit; Bartha, Sándor; Penksza, Károly; Tóth, Andrea; Szentes, Szilárd

P180 **Impact of agricultural practice on soil biota of floodplain meadows in Matsalu National Park**
Kuu, Annely; Ivask, Mari; Meriste, Mart

P181 **Effect of different grazing intensities on plant species composition**
Ludvíková, Vendula; Pavlů, Vilém

P182 **Effect of grazing on vegetation of dry grasslands in the Czech Karst Protected Landscape Area**
Mayerová, Hana; Čiháková, Kateřina; Münzbergová, Zuzana; Šlechtová, Anna; Trnková, Eliška

P183 **Data on the habitat requirements of the threatened Transylvanian mole rat (*Nannospalax (leucodon) transsylvanicus*) - not all habitats are good enough**
Németh, Attila; Rózsás, Anita; Czabán, David; Farkas, János

P184 **Hydrological processes and succession changes in a mountain catchment affected by the acid atmospheric deposition**
Nováková, Jana; Křeček, Josef

P185 **Endangered species indicate the preserved conservation value of abandoned wooded meadows**
Otsus, Merit

P186 **Effect of cessation of cutting and fertilization on plant species composition in an upland meadow**
Pavlů, Vilém; Gaisler, Jan; Pavlů, Lenka; Hejzman, Michal

P187 **Determination of suitable management for mountain hay meadow in nature reserve in Jizerské Mts.**
Pavlů, Lenka; Pavlů, Vilém; Gaisler, Jan

P188 **Chemical ecology of burying beetles (Coleoptera: *Silphidae*)**
Podskalská, Hana; Růžička, Jan; Hoskovec, Michal

- P189 **Possible role of soil seed banks in restoration of hay-making meadows**
Valkó, Orsolya; Török, Péter; Kelemen, András; Tóthmérész, Béla; Matus, Gábor
- P190 **Trends of abandonment in agriculturally utilised mountainous landscape**
Valkovcova, Zuzana
- P191 **Importance of spatial organization and inherent temporal dynamics of *Brachypodium* grassland in evaluating the effectiveness of its management**
Virágh, Klára; Horváth, András; Bartha, Sándor; Somodi, Imelda
- P192 **Reintroduction management for typical and endangered species of mountain meadows in the Eastern Ore Mountains (Germany)**
Zöphel, Birgit; Zieverink, Marita

HABITAT FRAGMENTATION AND METAPOPOPULATION DYNAMICS

- P193 **Past land use, landscape structure and current distribution of dry grasslands**
Hemrová, Lucie; Münzbergová, Zuzana
- P194 **Fragmentation of broad-leaved forests in Latvia in relation to occurrence of hemerophobic epiphyte species**
Ikauniece, Sandra; Brumelis, Guntis; Zarins, Juris
- P195 **Modelling the influence of management scenarios on abundance and survival of Natterjack toad (*Bufo calamita*) in central Poland**
Kowalczyk, Kamila; Romanowski, Jerzy; Grimm, Volker; Johst, Karin
- P196 **Dispersal pattern of the false ringlet (*Coenonympha oedippus*) butterfly in a habitat complex**
Órvössi, Noémi; Kőrösi, Ádám; Batáry, Péter; Vozár, Ágnes; Peregovits, László
- P197 **Patch size and habitat quality affect presence of the Common Gull *Larus canus* at water reservoirs in southern Poland**
Skórka, Piotr; Lenda, Magdalena; Tworek, Stanislaw
- P198 **Predation risks on bird nests in fragmented suburban landscape**
Suvorov, Petr; Pětníková, Monika; Šálek, Miroslav
- P199 **Responses of vertebrate feeding guilds to forest fragmentation in the Neotropics – A Review**
Vetter, Daniela; Hansbauer, Miriam M.; Végvári, Zsolt; Storch, Ilse

IMPACT OF TRANSPORT INFRASTRUCTURES

- P200 **Characteristic of barriers causing landscape fragmentation for large mammals**
Gorčicová, Ivana; Anděl, Petr; Petržílka, Leoš
- P201 **Highway fencing and moose migrations in northern Sweden**
Helldin, Jan Olof; Seiler, Andreas; Widén, Per; Olsson, Mattias; Geibrink, Owe
- P202 **Traffic mortality of fauna in the Czech Republic**
Hlavac, Vaclav; Andel, Petr
- P203 **Living Elbe – building weirs or unique ecosystems?**
Kubačáková, Vendula; Vitnerová, Jana; Dvořáková, Tereza

INVENTORY AND MONITORING

- P204 **Flora of the Vepssky Forest Nature Park (Leningrad Region, Russia)**
Doronina, Anna
- P205 **Volunteers for Nature Conservation: “WildWatcher” on-line biodiversity monitoring program**
Olivér, Vácz
- P206 **Assessment of conservation status of orthopterans in the Czech Republic**
Holuša, Jaroslav; Kočárek, Petr; Marhoul, Pavel; Vlček, Robert
- P207 **Monitoring of earthworm communities on coastal grasslands in Estonia**
Ivask, Mari; Kuu, Annely
- P208 **A quick field inventory method of the red list species. Results of four years’ survey from Seclerland (Eastern Transylvania, Romania)**
Jakab, Gusztav; Csergő, Anna-Maria; Ambrus, László
- P209 **Monitoring of butterflies within a landscape context in south-eastern Sweden**
Jonason, Dennis; Milberg, Per; Bergman, Karl-Olof
- P210 **BioBlitz actions in Hungary 2006-2009**
Kovács, Tibor
- P211 ***Arcynopteryx compacta* (McLachlan, 1872) - research of critically endangered species in Moravskoslezské Beskydy Mts. (Czech Republic)**
Kročá, Jiří
- P212 **Management of the enigmatic birch mouse *Sicista betulina* in practice**
Muller, Julie Dahl; Baague, Hans J.; Jensen, Thomas Secher
- P213 **Demography and Habitat Selection of Anatolian Mouflon in Konya Bozdag; Protection Area**
Ozdirek, Lutfiye; Ozut, Deniz; Durmus, Mustafa; Kence, Aykut
- P214 **Recent numbers of Black Stork in Ukraine**
Panchuk, Alexandr; Serebryakov, Valentin
- P215 **Spatial stability and seasonal dynamic of higher plants colonizing vertical cliffs from hilly Romanian gorges**
Pauca-Comanescu, Mihaela; Ion, Roxana; Onete, Marilena
- P216 **Comparison of diversity of macrofungi and plant communities in Belső-Cserehát, Hungary**
Rudolf, Kinga; Morschhauser, Tamás; Pál-Fám, Ferenc
- P217 **Assessing Anuran Biodiversity in Baranja region (Croatia) using local volunteers trained in amphibian audio monitoring and road kill determination**
Šalamon, Dragica; Šilić, Tea; Basta, Jelena; Burić, Ivona
- P218 **Eurasian otter (*Lutra lutra*) in the Slovak Republic (Results of national mapping)**
Urban, Peter
- P219 **Important herpetological areas from Iasi County (Romania)**
Zamfirescu, Stefan Remus; Strugariu, Alexandru; Zamfirescu, Oana; Gorgan, Lucian
- P220 **The status of some threatened plant populations of “Valea lui David” natural reserve, Iasi (Romania)**
Zamfirescu, Oana; Zamfirescu, Stefan Remus

- P221 **Are red-listed butterflies good indicators for butterflies and grasshoppers? A case study in a Mediterranean mountainous reserve, Greece**
Zografou, Konstantina; Sfenthourakis, Spyros; Pullin, Andrew; Kati, Vassilki

LANDSCAPE ECOLOGY AND CONSERVATION

- P222 **The spatial extent of forest road effect on understory plant diversity in French oak stands**
Avon, Catherine; Berges, Laurent; Dumas, Yann; Dupouey, Jean-Luc
- P223 **Changes in the habitat network of *Pholidoptera transsylvanica* (Fischer Waldheim, 1853) in the Aggtelek Karst, Hungary**
Benedek, Zsófia; Nagy, Antal; Rácz, István A.; Jordán, Ferenc; Varga, Zoltán
- P224 **Where and when: activities of the brown bear in relation to season and habitat**
Bojarska, Katarzyna; Selva, Nuria; Śmietana, Wojciech; Okarma, Henryk
- P225 **Effects of landscape changes on amphibian breeding ponds in Pas-de-Calais, NW France over a 30-year period**
Curado, Nuno; Musters, Kees; Arntzen, Jan Willem
- P226 **Habitat and landscape diversity of the Great Hungarian Plain in Csongrád county**
Deák, Áron József; Nagy, Edina
- P227 **A GIS based gray wolf habitat suitability modelling in western Black Sea region, Turkey**
Erturk, Alper; Soyumert, Anil; Gurkan, Behzat
- P228 **Rainfall-adapted water provisioning for elephants can reduce the destruction of woody vegetation**
Franz, Mathias; Kramer-Schadt, Stephanie; Kilian, Werner; Wissel, Christian; Groeneveld, Juergen
- P229 **Do fragmentation effects step from dispersal to recruitment in ornithochorous trees?**
Herrera, Jose Manuel; Garcia, Daniel
- P230 **Natural water flow renewal in Dýšina, West Bohemia, Pilsen region**
Jancurova, Klara
- P231 **Important fungus areas in Montenegro – a preliminary study**
Kasom, Gordana
- P232 **Key habitats on micro-scale: where rare species are common**
Kemencei, Zita; Sólymos, Péter; Farkas, Roland; Páll-Gergely, Barna; Vilisics, Ferenc; Hornung, Erzsébet
- P233 **Old granaries as sources of nature reconstruction**
Kenéz, Árpád; Gyulai, Ferenc; Malatinszky, Ákos; Saláta, Dénes; Házi, Judit; Penksza, Károly
- P234 **Distribution of mammalian predator in fragmented landscape**
Koubová, Martina; Svobodová, Jana; Kreisinger, Jakub; Šálek, Martin; Šálek, Miroslav; Albrecht, Tomáš
- P235 **The importance of feeding and browsing grounds for selected species in Podřipsko (Czech Republic)**
Kůtová, Jitka; Janota, Jiří
- P236 **The Madeiran Laurisilva: Where are the hotspots of bryophyte diversity?**
Sim-Sim, Manuela; Luís, Leena; Ecker, Klaus; Ariel, Bergamini
- P237 **Anthropogenic habitat alteration influences home-range size of European ground squirrels (*Spermophilus citellus*)**
Turrini, Tabea A.; Brenner, Michaela; Hoffmann, Ilse E.; Millesi, Eva

P238 **Testing the small island effect on habitat islands**
Tzirkalli, Elli

P239 **Landscape pattern and species richness distribution within land units**
Zavattero, Laura; Burrascano, Sabina; Marignani, Michela; Blasi, Carlo

MARINE CONSERVATION

P240 **Preliminary analysis of distribution and foraging behaviour of loggerhead sea turtle (*Caretta caretta*) in the shallow water of Filicudi Island**
Roscioni, Federica; Blasi, Monica Francesca

P241 **What's on the menu? Diet of bottlenose dolphins (*Tursiops truncatus*) in the north-eastern Adriatic sea**
Sprčić, Alena; Stewart, Sam; Mackelworth, Peter

P242 **Tools for assessing populations and habitats for marine conservation areas and sustainable use of marine resources: from allozymes to comet assays**
Vella, Adriana; Vella, Noel; Zahra, Nathalie

METHODS AND ANALYTICAL TOOLS

P243 **Diversity indices – magical numbers in conservation biology**
Drozd, Pavel; Dolný, Aleš; Drozdová, Michaela

P244 **Analysis of snow tracking data with different observation intensity – a comparison of two modelling approaches**
Zeppenfeld, Thorsten; Reineking, Björn; Heurich, Marco

NATURA 2000

P245 **Effects of human induced landscape changes on the vegetation of a Danube Island in Hungary**
Ádám, Szilvia; Malatinszky, Ákos; Csontos, Péter; Penksza, Károly; Falusi, Eszter; Házi, Judit

P246 **Strategies for conserving the biodiversity in the Molhaşurile Peatbog, Romania**
Ciobanu, Marcel; González Machorro, Maili Alicia; Coldea, Gheorghe

P247 **Elaboration of the Natura 2000 monitoring system of certain, selected species and habitats in Hungary**
Gubányi, András; Kiss, Béla; Nagy, Károly; Török, Katalin

P248 **Developing protocols for monitoring Natura 2000 sites in Hungary**
Horváth, András; Bartha, Sándor; Bölöni, János; Molnár, Zsolt; Kovács-Láng, Edit; Török, Katalin

P249 **Natura 2000 fish species conservation in Lithuania**
Kesminas, Vytautas; Virbickas, Tomas; Steponėnas, Audrius; Repečka, Rimantas

P250 **State of art of Estonian EU Directive Natura 2000 butterfly species**
Liivamägi, Ave; Kuusemets, Valdo; Luig, Jaan; Kask, Kadri

P251 **Studies of *Minuartia smejkalii* – connection between scientific approach and practical conservation**
Pánková, Hana; Münzbergová, Zuzana

P252 **Favourable Conservation Status as a base for Natura 2000 sites management planning in Poland**
Pawlaczyk, Pawel

- P253 **Preparation of Natura 2000 proposal and consultation process in Croatia**
Radovic, Jasminka; Plavac, Ivana; Rodic Baranovic, Petra; Topic, Ramona
- P254 **The creation of new artificial lakes as a mitigation measure for bats**
Gyselings, Ralf; Spanoghe, Geert; Van den bergh, Erika
- P255 **Characterization and distribution in Romania of the priority Natura 2000 habitat: Pannonic and ponto-sarmatic salt-steppes and salt-marshes**
Mihailescu, Simona
- P256 **Human activities and their associations with habitat and species biodiversity in the Greek Natura 2000 network**
Tsiafouli, Maria; Kallimanis, Athanasios S.; Mazaris, Antonios D.; Sgardelis, Stephanos; Pantis, John D.

POPULATION ECOLOGY AND CONSERVATION

- P257 **Long-term large-scale studies of population dynamics of Barn swallow in Northern Italy**
Bani, Luciano; Massimino, Dario; Saino, Nicola; Orioli, Valerio; Ambrosini, Roberto
- P258 **Nesting Ecology of the Common Kingfisher at the chosen watercourses in Plzeň region**
Boušová, Marie; Kovář, Václav; Zasadil, Petr; Čech, Martin
- P259 **Population density and stress load in European ground squirrels (*Spermophilus citellus*)**
Brenner, Michaela; Turrini, Tabea; Millesi, Eva; Hoffmann, Ilse
- P260 **Population biology rare species of plants on Ural (Russia)**
Bystrushkin, Andrey; Belyaev, Alexander; Vasfilova, Eugenia; Sushencov, Oleg; Vorobjova, Tatjana; Khantemirova, Elena
- P261 **Impact of pollinators and herbivores on population dynamics of *Scorzonera hispanica***
Cervenkova, Zita; Munzbergova, Zuzana
- P262 **Chytridiomycosis**
Civiš, Petr; Vojar, Jiří
- P263 **Woodpeckers from Bucegi Natural Park, Romania, as a flag species for the conservation of natural forests**
Cobzaru, Ioana
- P264 **Does the photobiont availability limit the spread of the critically endangered lichen *Erioderma pedicellatum*?**
Cornejo, Carolina; Scheidegger, Christoph
- P265 **The conservation value of northern peripheral *Saponaria bellidifolia* populations on isolated outcrops from Southeastern Carpathians**
Csörgő, Anna-Mária; Höhn, Mária
- P266 **Status, habitat characteristics and prospects of *Leucorrhinia pectoralis* in Belgium and the Netherlands**
De Knijf, Geert; Ternaat, Tim
- P267 **Ecology of hemiparasite *Thesium* species**
Dostálek, Tomáš; Münzbergová, Zuzana
- P268 **Habitat and Population Features of *Verbascum rupicola* (Hayek & Siehe) Hub.-Mor. (*Scrophulariaceae*)**
Eroglu, Volkan; Şenol, Serdar Gökhan; Seçmen, Özcan

- P269 **Effects of local conditions on the conservation of endangered narrow endemic plants: the case study of *Centaurea horrida* Badaro (*Asteraceae*).**
Farris, Emmanuele; Pisanu, Stefania; Mameli, Giulia; Filigheddu, Rossella
- P270 **Contribution to the characterization of the distribution of *Tuberaria major* – an endangered *Cistaceae* species endemic of Algarve**
Fernandes, Maria Jacinta; David, Maria Manuela; Brás, Luís; Rosa-Pinto, José; Correia, Maria Joao
- P271 **Genetic diversity of the European mouflon (*Ovis musimon*) population in Poland**
Fruba, Aleksandra; Olech, Wanda
- P272 **Traits characterized critically endangered vascular plant species of Czech Republic**
Gabrielová, Jarmila; Münzbergová, Zuzana
- P273 **Patterns of space use of griffon vultures in wind farms**
García, Ana; Rodríguez, Alejandro; Jiménez, Juan
- P274 **Habitat selection of wild goose species in the Hortobágy (Hungary)**
Gyüre, Péter
- P275 **Age structure determination on Eurasian beaver (*Castor fiber*)**
Hamšíková, Lenka; Vorel, Aleš; Válková, Lenka; Korbelová, Jana; Maloň, Jaroslav; Korbel, Josef
- P276 **The change of the relative distribution frequency of Hungarian Megachile species (Hymenoptera: Apoidea) in the last sixty years**
Havas, Enikő; Répássy, Viktória; Sárospataki, Miklós
- P277 **Breeding biology and population structure of Tengmalm's owl (*Aegolius funereus*) in the Krušné Mts. in 2006-2009**
Hýlová, Alena; Hanel, Jan; Slámová, Petra; Šťastný, Karel; Popelka, Jan
- P278 **Ecology and genetics of the aesculapian snakes (*Zamenis longissimus*) in the rheingautaanus**
Groß, Ina; Wink, Michael
- P279 **Aspects concerning biological conservation of the protected zones from border region between Romania and the Republic of Moldova.**
Ion, Constantin; Zamfirescu, Stefan Remus; Ion, Iordache
- P280 **The impacts of herbivory on life cycle of *Succisa pratensis***
Janovský, Zdeněk; Münzbergová, Zuzana
- P281 **Impact of population history on *Viola calaminaria* conservation, an endemic species of Calamine sites**
Jean-Philippe, Bizoux; Grégory, Mahy
- P282 **Lichen diversity in managed and unmanaged wooded meadows on Gotland**
Jönsson, Mari; Thor, Göran; Johansson, Per
- P283 **Multi-scale modelling of amphibian pond-breeding habitat: The effect of landscape characteristics on species distribution and community structure.**
Kret, Elzbieta; Poirazidis, Konstantinos; Kati, Vassiliki
- P284 **Fine scale fish and otter (*Lutra lutra*) monitoring in the Ofanto river (south Italy). Integrating marking frequencies, diet and resources availability**
Loy, Anna; De Castro, Giuseppina; Bianco, Piergiorgio; Frezza, Vincenzo; Pansino, Saiana; Ruco, Valentina; Reggiani, Gabriella
- P285 **Seed bank formation through a successional series in an inland sandy region**
Matus, Gábor; Papp, Mária; Török, Péter

- P286 **A Demographic Study of the Arrau Turtle (*Podocnemis expansa*) in Middle Orinoco River, Venezuela**
Mogollones, Sol; Rodriguez, Diego; Hernandez, Omar; Barreto, Guillermo
- P287 **Rarity of *G. palustris* caused by rarity of habitat? A comparison between *G. imbricatus* and *G. palustris***
Novotna, Pavla; Richter, Frank; Munzbergova, Zuzana
- P288 **Population dynamics of the threatened endemic taxon of Cyprus Flora *Astragalus macrocarpus* DC. subsp. *lefkarensis* Agerer-Kirchoff & Meikle**
Paraskeva-Hadjichambi, Demetra; Arianoutsou, Margarita; Georghiou, Kyriakos
- P289 **Past, recent and future threats of European mudminnow (*Umbra krameri*) in Slovakia**
Pekárik, Ladislav; Hajdú, Juraj; Koščo, Ján; Lusková, Věra; Lusk, Stanislav; Tomeček, Jozef; Valachovič, Dušan
- P290 **The European hedgehog (*Erinaceus europaeus*): Tick infestation affecting conservation goals?**
Pfähle, Miriam; Petney, Trevor; Elgas, Michael; Skuballa, Jasmin; Taraschewski, Horst
- P291 **Genetic Analysis of Sardinian Hare (*Lepus capensis mediterraneus*) populations using microsatellites**
Satta, Valentina; Leoni, Giovanni G.; Bebbere, Daniela; Pira, Angela; Rotta, Andrea; Succu, Sara; Berlinguer, Fiammetta; Naitana, Salvatore
- P292 **Structure of kinship in population of Tengmalm's Owl *Aegolius funerus***
Slámová, Petra; Hanel, Jan; Svobodová, Jana; Rymešová, Dana; Hýlová, Alena; Šťastný, Karel
- P293 **Monitoring and assessment of conservation status for Eurasian otter *Lutra lutra* in Denmark**
Soegaard, Bjarne; Madsen, Aksel Bo; Elmeros, Morten
- P294 **The role of the brown bear as a seed disperser**
Szczutkowska, Sylwia; Selva, Nuria; Bojarska, Katarzyna; Valido, Alfredo
- P295 **The effect of environmental conditions on hatching asynchrony in the Collared Flycatcher**
Szegedi, Anikó; Rosivall, Balázs; Szöllösi, Eszter; Hegyi, Gergely; Török, János
- P296 **Life history traits and threat status: a comparative study of two Onobrychis-feeding lycaenid butterflies in SE Czech Republic**
Šlancarová, Jana; Nečasová, Barbora; Hula, Vladimír; Konvička, Martin
- P297 **Filling gaps in the knowledge of biology and ecology of the Eurasian otter (*Lutra lutra*): population modeling for the Czech Republic (CR)**
Větrovcová, Jitka; Poledníková, Kateřina; Poledník, Lukáš; Hájková, Petra; Zemanová, Barbora; Beran, Václav; Hlaváč, Václav; Mináriková, Tereza
- P298 **Colonization of spoil banks by amphibians**
Vojar, Jiří; Doležalová, Jana; Solský, Milič
- P299 **The impact of human settlements on primate parasite burden: Saddle-back and moustached tamarins in Peru and long-tailed macaques in Thailand**
Wenz, Alexandra; Heymann, Eckhard W.; Sithithaworn, Paiboon; Petney, Trevor N.; Taraschewski, Horst F.

PROTECTED AREAS: PLANNING, DESIGN AND MANAGEMENT

- P300 **Conservation priority of Parnitha National Park plants**
Andriopoulos, Pavlos; Arianoutsou, Margareta

- P301 **Landscape history as a tool for planning the management of protected areas – A case study from a Hungarian protected grassland**
Antal, Zsuzsanna; Juhász, Lajos
- P302 **Activities for protection of the eco-systems along rivers Drava, Mura and Danube on the national and transboundary level**
Ivičić, Biljana; Rodić Baranović, Petra; Trenc, Neven
- P303 **Assessment of the locations proposed for Marine Protected Areas in the Montenegro (Adriatic Sea)**
Kascelan, Slavica; Macic, Vesna
- P304 **Large wood stabilization in the Morava river, Czech Republic - how to conserve the wood in a natural river.**
Kožený, Pavel; Vajner, Petr
- P305 **An assesment of the attitudes of the local population in two Greek protected areas towards a framework for sustainable resource management?**
Latsiou, Anna; Papageorgiou, Konstantinos; Papastergiadou, Eva; Kalagou, Ifigenia
- P306 ***Paspalum paspaloides* evapotranspiration effect on water content in Mediterranean kastic pond – implications for management**
Striskovic, Suncica; Radocaj, Martina; Salamon, Dragica
- P307 **How do we know if our protected areas work? Evaluating the state and management of small-scale protected areas in the Czech Republic.**
Svatek, Martin
- P308 **Importance of cross-taxon approach for the biodiversity conservation: example of dolichopodid flies (Diptera) and vascular plants in Latvia**
Vilks, Kristaps; Klavina, Darta
- P309 **An integrated network of high biodiversity and acoustic value in Greece**
Votsi, Nefta – Eleftheria; Vogiatzakis, Ioannis; Mazaris, Antonios; Kallimanis, Athanasios; Sgardelis, Stefanos; Pantis, John

RECOVERY OF ENDANGERED SPECIES

- P310 **Research and protection of the most endangered *Formica* species (Hymenoptera: *Formicidae*) in the Czech Republic**
Bezděčková, Klára; Bezděčka, Pavel
- P311 **Endangered species of water birds from Lower Prut river**
Bogdea, Larisa; Cojan, Konstantin
- P312 **Can the Eurasian otter have a sustainable recovering in the European landscape?**
Cianfrani, Carmen; Le Lay, Gwenaelle; Loy, Anna; Krüger, Hans-Heinrich; Krekemeyer, Anna; Guisan, Antoine
- P313 **Historical and Current Distribution of Endangered Species - What Are the Distribution Maps Saying?**
Černá, Lucie; Münzbergová, Zuzana
- P314 **Do feeding stations have an age-specific impact on griffon vulture behaviour?**
Duriez, Olivier; Herman, Sophie; Sarrazin, Francois
- P315 **Conservation of goitered gazelle (*Gazella subgutturosa*) in Turkey**
Durmus, Mustafa; Cobanoglu, Aziz Emre; Ozut, Deniz; Gurler, Sukru; Toprak, Sahin; Kence, Meral

- P316 **Results of the Hungarian meadow viper (*Vipera ursinii rakosiensis*) conservation program**
Halpern, Bálint; Péchy, Tamás; Dankovics, Róbert; Ghira, Ioan; Major, Ágnes; Szóvényi, Gergely; Katona, Krisztián; Vidéki, Robert
- P317 **The repatriation program of black grouse (*Tetrao tetrix*) in Hungary**
Kaknics, Lajos; Juhász, Lajos; Szendrei, László; Pluhár, Dóra
- P318 **Studies of the peculiarities of salmonids organism responses to environmental stressors**
Kazlauskienė, Nijolė; Skrodenyte-Arbačiauskienė, Vesta; Vosyliene, Milda Zita; Leliuna, Egidijus
- P319 **The genetic improvement of European bison herds in Carpathians – preliminary results**
Olech, Wanda; Perzanowski, Kajetan; Nowak, Zuza
- P320 **Analysis of spatial behaviour of translocated brown bears (*Ursus arctos*) in Pyrenees.**
Quenette, Pierre-Yves; Le Portal, Yann; Camarra, Jean-Jacques; Decaluwe, Frédéric; Touchet, Pierrick
- P321 **Breeding and parental care in the Endangered tehuatepec jackrabbit (*Lepus flavigularis*): Implications for its recovery**
Rioja-Paradela, Tamara Mila; Lorenzo-Monterrubio, Consuelo; Naranjo-Pinera, Eduardo; Scott-Morales, Laura; Carrillo-Reyes, Arturo
- P322 **Ex situ conservation, reintroduction and action plans for priority plant species in Switzerland**
Sibylla, Rometsch; Saskia, Godat
- P323 **Survival of artificially reared Sea trout (*Salmo trutta trutta* L.) juveniles in natural environment**
Virbickas, Tomas; Kazlauskienė, Nijolė; Vosyliene, Zita; Stakenas, Saulius; Skrupskelis, Kestutis; Bridziuvienė, Aukse
- P324 **Population dynamics of endangered fish in streams of the Tapolca basin**
Weiperth, András; Paulovits, Gábor; Staszny, Ádám; Farkas, János; Ferincz, Árpád; Keresztessy, Kapalin

RISK ASSESSMENT AND UNCERTAINTY

- P325 **Native freshwater crayfish (*Austropotamobius italicus*) live or how to survive being an inconvenient and not much appreciated threatened species.**
García-Arberas, Loreto; Rallo, Ana; Antón, Almaro
- P326 **Bat mortality at wind energy sites – a challenge for conservation**
Starik, Nicole; Bengsch, Susanne; Zeller, Ulrich

SCIENTISTS AND MANAGERS: BRIDGING THE GAP

- P327 **Reasons for systematic reviews in conservation: the example of animal reintroduction literature**
Bajomi, Bálint; Pullin, Andrew S.; Stewart, Gavin B.; Takács-Sánta, András
- P328 **The Capercaillie in Switzerland: How to define goals, set priorities and evaluate the effects of conservation measures in a national action plan?**
Stadler, Bruno; Bollmann, Kurt; Schnidrig, Reinhard; Spaar, Reto; Rehsteiner, Ueli

SPATIAL ECOLOGY AND CONSERVATION

- P329 **Distribution, encounter rate and spatial behaviour of small cetaceans in the Aeolian Archipelago (Sicily, Italy).**
Blasi, Monica Francesca; Manno, Martina; Roscioni, Federica

- P330 **Connectivity in brown bear populations: an assessment of gene flow in coastal British Columbia**
Clapham, Melanie; Nevin, Owen; Sinclair, Billy; Ramsey, Andrew
- P331 **Natural history data for species distribution modelling: effects of georeferencing error on model performance**
Cole, Heather; Bergamini, Ariel
- P332 **Winter habitat selection of wolves along tracks and human-activities effects in the wolf movements in the Western Alps**
Colombo, Mattia; Marucco, Francesca
- P333 **Biotic module of the Hungarian Nature Conservation Information System present and future**
Lőrincz, Tamás; Takács, Attila András; Vácz, Olivér
- P334 **Distribution changes and conservation of carabid beetles in NW Europe revisited: swimming against the tide?**
Maes, Dirk; Desender, Konjev; Dekoninck, Wouter; Dufrene, Marc
- P335 **Spatial use of the red fox as a possible predator of ground-breeding birds in the nature reserve Havelländisches Luch in Brandenburg, Germany**
Zeller, Ulrich; Wicke, Marcus

URBAN ECOLOGY AND CONSERVATION

- P336 **Situational analysis of five urban parks in Brasilia: Strategic areas for presentation of Cerrado in urban areas**
Brito, Darlan Q.; Sales, Gianni S.; Dutra, Marcelo L.; Oliveira, Rhaul; Brasileiro, Lara L. G.
- P337 **The comparative analysis of avifauna in four urban parks in Zagreb (Croatia) – implementation for conservation**
Čulina, Antica; Budinski, Ivan
- P338 **Attempts to establish native lawn species in a Mediterranean urban context**
Di Turi, Alessandra; Paola, Gaudenzio
- P339 **Urban population of tawny owl (*Strix aluco*) after decrease of its main prey – Warsaw as a case study**
Gryz, Jakub; Krauze, Dagny
- P340 **Comparative studies on centipede (Myriapoda: Chilopoda) fauna from urban and periurban greens**
Ion, Constanta Michaela
- P341 **Effects of management on ground beetles (Coleoptera, *Carabidae*) in urban meadows**
Lassila, Titta; Ketola, Päivi
- P342 **Are urban wastelands potential breeding grounds for endangered bird species?**
Meffert, Peter J.
